My own dear Papa.

Have you gotten  
my letters? For I havent  
hear from you yet.

We spent yesterday and  
last night in Crescent  
City and had the loveliest  
time. The trip down  
on the Crescent this  
morning. I am hav-

in the time of my life  
I never was so happy  
in my life. Mrs. Boddy  
is so lovely.

Mrs. Walton gives me  
a receipt to-morrow  
night and I know  
I am going to have  
a good time.

Papa see if you can't  
get passes over the Clyde  
River, and I lets go back

by water; it would do you good,  
and you could leave the night in  
Richmond and go right on  
to Buffalo.

Write when you can. With all

my love,

Your loving baby  
Grace!
