My own dear Papa:-

I spent Monday with Fanny Johnson, and had a very nice time.

In the morning Fanny, Leatha McKie, and I went down town, as Leatha had some shopping to do, and we got back just in time for lunch. Old Mrs. Sedell was just lovely to me, and so was Mrs. Johnson.

Examinations are over to day,
and I certainly am glad,
for now I can begin work.
Emilie left Tuesday morn-
ing, and is going to stay
at least a month, so I had
all by myself.

I got a real nice long
letter from Mrs. Bailey this
morning thanking me
for the little Christmas
present I sent her.

Rosa Heath, Chloe Robin-
son, and I made some
judge yesterday afternoon,
and it certainly was good.

Just to think I have been
here four weeks today.

I saw Mr. Chuck Shank,
about my work for this
term; last night, and told
him that I was going to
drop Vocal; and take Soph.
English, Junior Literature,
Junior History, Dictation
and Spelling, Bible, and
Music. Is that all right?

I must stop now and
write to Patty.

With loads of love,

Your devoted Grace.
