you know better than
that? We have been

are both with us and
we have been having
such a good time

Lellie is just as funny as
ever and ~~leaves~~ Auntie
~~so~~. We have nearly
laughed our sides in two.

The night of the anniversary
party, all of the Wake
Forest people came up
in a body to congratulate
us, and each one

brought a stick of wood.

Dr. + Mrs. Polak headed
the procession.

Every body likes

Lellie so much. ♀

We thank ful to say we
have had nice weather
ever since they came and
the water has been
fixed so we are getting
all the water we want.

We took Lellie and
Auntie over to Raleigh
one day last week, and
went to a good picture
show, and had all
together a good old
fashion time.

minutes of time so

for our sake try and
take care of your
self, and make haste
and get well, we want
you to stop smoking

Deta's sake ! ?
Now write to her and
say you will. Aunt's
and Nellie send love
and Deta and Bruce

say to all Tally

for them. All of
my dear love for
my precious Papa -

Grace!
