My dear Papa:-

We have been hoping that
you would come in all this
week, and I have been dis-
gusted so far. Still I feel
like you will be here to-
morrow for Sunday.

Mr. Wyatt Ine Tree died Tues-
-day and was buried yes-
terday. I guess it is a
blessing, he has been ill so
long. We are having such a good

influenza too. So you see my
hands have been pretty full.

As nurse these days sellus.

R. B. still is mighty shaky
and only going on one class
a day. Still he is gaining
his strength some, and I
hope will be alright pretty
soon now.

I have had an anniversary
since you were here, and
R. B. gave me such a pretty
picture for my hall. It
really is lovely.

So make haste and come to
see us. Meta and Bruce send
lots of love and Charles J.
a kiss. Lots of love from
us all. Devotedly, Grace.
