(Use plain sheet of paper, if necessary, to add additional data)

GIVE PROOF THAT ANCESTOR WAS A FRENCH HUGUENOT, AND PROOF OF RESIDENCE IN VIRGINIA

Official proof that Ancestor was a French Huguenot must be furnished with the application and reference to authorities cited for proof, Active members must show proof of residence in Virginia.

John Lanier was an immigrant to Virginia before 1659 when he is listed as a headright in Charles
City County records. His grandfather was Nicholas Lanier who was listed as a frenchman living in
London for 9 years in 1571. Although his church is not listed in 1571, his probable brother or cousin
John Lanier is listed as a member of the French Church. Nicholas Lanier was married in 1570 in All
Hallows Barking, London, which was presumably at this time a protestant church. Since Nicholas
and John Lanier were protestants by 1570 and moved to England after the change of English
throne from catholic to protestant in 1558 and during a time generally of Huguenot
conflict one can assume they were Huguenot immigrants.
